Due to changes in health insurance fees, patient self billing has become a much more cost effective way for you, the patient, to get reimbursement for your care. Self billing allows us to keep our fees low so you can get the care you need without any added cost. Therefore, our policy is that all payment is due at the time of service and bills will no longer be sent to your insurance provider, unless otherwise arranged. Statements will be provided for individuals to submit their own bills ensuring that as your insurance provider pays for your care, they will send the reimbursement check directly to you. Let us know if this is a problem and we will work to accommodate your needs.

Why Chiropractic? People go to Chiropractors for a variety of reasons. Some go for symptomatic relief of pain or discomfort (*Relief Care*). Others are interested in having the cause of the problem as well as the symptoms corrected and relieved (*Corrective Care*). Your Doctor will weigh your needs and desires when recommending your treatment program.

RELIEF CARE

Relief Care is that care necessary to get rid of your symptoms or pain, but not the cause of it. It is the same as drying a floor that was getting wet from a leak, but not fixing the leak.

CORRECTIVE CARE

Corrective care differs from relief care in that its goal is to get rid of the symptoms or pain while correcting the cause of the problem. Corrective care varies in length of time, but is more lasting.

Office Policies

The purpose of these agreements is to allow us to more completely serve you, and for you to receive the best results in the shortest amount of time. It is our experience that those patients who adhere to the following agreements get the best results.

SIGNING IN

When you arrive for your appointment, please sign in on touchscreen at the counter. If you are receiving a massage, please sign in.

PAYMENT OF BILLS

You are expected to honor your financial agreements with our office. If you find that you cannot fulfill your agreement, please meet with our office manager immediately and make new arrangements. We are very flexible, but failure to be pro-active in addressing a problem, much like addressing your health problems, can result in a much bigger problem.

We have never turned a patient away because of inability to pay, but we have turned patients away for not making health a PRIORITY.

PAYMENT AGREEMENTS

If you find your care is too costly, let us know and we will do our best to make every effort to accommodate your specific situation.

MISSING OR CHANGING APPOINTMENTS

The doctor has established a specific course of treatment for you. For best results you need to receive a certain number of treatments within a set amount of time. We ask that you make up any missed appointments that week or the following week. If, for any reason you need to change an appointment, please call in two (2) hours prior to your appointment. We have set aside time to treat you, and by doing so, we are turning away other patients during your scheduled time. A \$35.00 fee will be assessed if you fail to notify us 2 hours prior to your scheduled appointment.

CELL PHONES

We realize that cell phones are a part of our lives but we kindly ask that you **turn off** your phone before entering the office. Cell Phone signals may interfere with certain medical equipment in our office.

I have read and understand all of the above office policies and agree to them.
